ARGUMENT BEGINS.

Court Again Refuses to Stop the Magill Murder Case.

Decatur, Ill., Oct. 18.—When today's session of the trial of Fred Magill and Faye Graham Magill, charged with having caused the death of Magill's first wife was opened, counsel for the defense asked that the court instruct

the jury to return a verdict of not guilty. The counsel contended that the letters found after Mrs. Magill's death had been proved to be in her hand writing and that no testimony had been adduced to show that they were not. Counsel argued that there was no proof to show that murder had been committed as charged against the defendants.

Judge Cochrane refused to instruct the jury for acquittal and arguments on the testimony began before the jury.

RIOT IN CHINATOWN.

Three Chinamen Killed and Many Placed Under Arrest.

Philadelphia, Oct. 18.—A fight between two Chinese in Chinatown this afternoon developed into a riot, the rival societies taking sides. Pistols and knives were freely used in the crowded quarters and it is reported that three of the participants were killed.

The police reserves from the tenderloin districts were hastily summoned and had great difficulty in quelling the disturbance. Many arrests were made. One Chinaman was killed and several wounded.

IN FINE TRIM.

The "Sooners" Say They Are Ready for the Jayhawkers.

Claim to Be in a Condition to Make a Grand Battle.

Norman, O. T., Oct. 18.—For two hours Thursday afternoon the Oklahoma "Sooners" were coached in all the new plays which are to be used in the game with Kansas university here next Saturday. Earl Ratliff ran the team in the absence of "Billie" Cross, the veteran quarterback, who has a weak ankle. He is resting up for the big contest with the Jayhawkers. The coach called his men together in the afternoon and for ten minutes gave them a straightforward talk which he wound up by saying: "Don't show the white feather, whatever you do, and fight to the bitter end. The team is in fine shape and will go into the game with the best lineup which has ever represented Oklahoma university."

K. U. LINEUP FOR SATURDAY.
Coach Kennedy Gives Out Positions of Jayhawker Eleven.

Lawrence, Kan., Oct. 18.—After a week of secret football practice, Coach Kennedy of the Jayhawker football team, has evolved a new lineup that will be tried Saturday against the University of Oklahoma team at Norman.

The lineup that will start the game will be: White, right end; Carlson, right tackle; Wood, right guard; Milton, center; Reed, left guard; Caldwell, left tackle; Rouse, left end; Angney, quarterback; Dennis or Forter, right halfback; Stephenson, left halfback; Rice, fullback. The substitutes are Hennessey, end and back; Ransom, end; Lamb, end; Steele, end and back; Crowell, tackle; Lobaugh or Dodge, back.

WAS MAY SAPP INSANE?
Attorneys of Whitlow Will Try to Establish Such a Theory.

Iola, Kan., Oct. 18.—The attorneys on both sides of the May Sapp murder case are working hard in preparation for the preliminary examination of Samuel P. Whitlow, who is charged with the crime. The examination is to be held here next Thursday before Cyrus S. Potter, justice of the peace.

The attorneys for the defense say that Whitlow's statements will be proved in their entirety by corroborative testimony and that it will be shown that May Sapp committed suicide. They are searching for evidence to show that the girl was mentally unbalanced at least a part of the time. It is probable that an insanity specialist will be called in to testify in the case.

AT THE U. B. CONFERENCE.
The Delegates Listen to Reports and Interesting Sermons.

Dr. D. Miller, elder of the U. B. conference, read his report last evening. It was most encouraging, showing advance steps taken in nearly every line of work.

The report of S. C. Coblenz of church erection was read. Mr. L. O. Miller, church treasurer, of Dayton, O., spoke on the report. Mr. Miller's address was a clear cut presentation of the work of church erection.

The report on missions was read, and Dr. S. S. Hough, foreign missionary secretary, spoke on the report. He presented the difficulties to be overcome in foreign missionary work.

Abroad—(1) Hostility of the governments. (2) Want of facilities for travel. (3) The mastery of languages. (4) The prejudices and opposition of the false religions.

At home—(1) The prejudices of the church members. (2) The magnitude and pressing demands of the tasks near at hand. (3) The want of information and vision of the field. (4) The church organized on the negative rather than on the positive and aggressive basis.

Dr. Hough in his evening sermon used for his text Isa. 54:2: "Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations; spare not lengthen thy cords, and strengthen thy stakes."

This morning's devotion was led by Prof. H. M. Ambrose of Campbell college.

Rev. T. L. Swan of Beatrice, Neb., agent for Heppner hospital, presented an invitation to the conference to cooperate with the hospital.

Dr. T. D. Crites, president of Campbell college, endorsed the invitation. Rev. A. Hendershot, agent of Campbell college, also spoke on Christian education.

Rev. E. E. Brooke of Kansas City, Mo., were introduced to the conference and presented the new church project in that city.

Dr. C. Whitney, home mission secretary, will speak this evening on "Home Missions."

HALED BEFORE COURT.
Jointists and Others Whose Cases Were Dismissed Arrested.

Six victims of the "dismissed appeal" were captured last night by the police, and will be held in jail until they can pay the fine and costs imposed. The victims are S. E. Spencer, John Miller, Ed Hall, Bob Haggart and Ben Dobson, who appealed from a fine for being found in a crap game, and Annie Ellis, alleged disorderly house keeper. It may be remarked that the mandates delivered to the police by City Attorney Drenning were all on cases other than for liquor selling. About a dozen of these mandates, which concern dispensers of liquor, are still invisible.

City Attorney Drenning and Chief Patrolman face this morning before the grand jury. Drenning wanted to find out about the evidence the police had against the "German Aid association." The alleged club-joint raided several months ago when Ed Horsfield was arrested as keeper. Drenning seemed to feel that the evidence was not very good, but Eaton kindly pointed out a case of beer and some other third-story captured in the place. It is evident that in pursuance of the policy mapped out for him last night by the council, Drenning intends to actually try the Horsfield case in district court.

Just to pass the time away, several policemen made a raid last night on the residence of Eva Pigg, wife of Ransom Pigg. Mrs. Pigg was arrested on the charge of keeping a disorderly house, and Maud Lawson, Frank Lawson and James Adams were taken as "inmates."

About 10 o'clock this morning Annie Ellis, a negro woman who was brought in last night on a commitment, rose to a question of personal privilege, and informed everyone within a block that she had not been given any breakfast. In ordering the morning meal the jail had overlooked her and forgotten to add her to the feed list. The mistake was hastily rectified, and special breakfast ordered for her.

S.S.S. CURES CHRONIC ULCERS

Whenever a sore or ulcer refuses to heal it is because the blood is infected with poisonous germs or some old blood taint which corrupts and pollutes the circulation. Nothing is more trying than a non-healing, chronic old ulcer. The very fact that it resists all external applications, and ordinary treatments, is good reason for alarm, for the same germ which produces cancerous ulcers is back of every old sore, and especially is this true if the trouble be from any inherited taint. Surface treatment cannot reach the trouble—the blood is at fault and must be purified before a cure can be hoped for. In S. S. S. will be found a remedy for sores and ulcers of every kind. It is a perfect blood purifier—one that goes directly into the circulation and promptly cleanses it of all impurities, poisons and taints. The ulcer can never heal while the blood discharges into it the noxious matter with which it is infected, but when S. S. S. has rid the blood of this cause and freshened and built up the circulation the sore will heal naturally, and of its own accord. S. S. S. begins at the bottom and heals the place as it should be healed and makes a permanent and lasting cure. Book on Sores and Ulcers and any special medical advice desired will be sent free to all who write.
